<p>See paragraph 2</p> <p>References: A. BONA-19551, 5 August 1960</p> <p style="padding-left: 20px;">B. BONA-11160, 16 August 1960</p> <p style="padding-left: 20px;">C. BONA 6757, 9 February 1961</p> <p>1. Subject was briefly of interest as a potential operational contact in June 1956, but no interest has existed since that time. He was described then as an unsavory type who probably had a continuing relationship with the AIS but with whom a cordly calculated business relationship would be possible with little effort. No indication of KUBARK interest in Subject should be given to the BIV. FRAN 3430, 1 June 1960 queried Headquarters about possible interest in him as the German Police, Essen were holding and interrogating him in regard to WW II crimes and in relation to the KICHMANN arrest. The Police queried CIC if there was any AIS interest. MRR 34319, 10 June 1960 replied with traces on Subject.</p> <p>2. The following information excerpted from MRR 34319 may be passed to the BIV:</p> <p style="padding-left: 40px;">Subject acquired Brunswick citizenship November 1936 and has held Austrian, Hungarian and Czech citizenships. He resided in the U. S. from November 1923 to April 1925 at 120th St., New York City, and visited the U. S. in the fall of 1954. On 22 May 1956 he was elected deputy chairman of the Press Committee of FDP-BRW. He attempted to obtain an IES exchange grant in January 1956 but was ineligible because of his WW II background and the fact that he was not an active journalist.</p> <p style="padding-left: 40px;">He was a pre-war propaganda agent for GOKBERG in the Middle East where he wrote articles for the German press. He was reporter for the Middle East Press, and Chief of the Near East, India/Japan Section, Foreign Press Section, of the Propaganda Ministry. He served in the SS and SD.</p> <p style="padding-left: 40px;">According to the Turkish Press, in 1956 Subject was employed by the Egyptian radio station, "Voice of Arabs".</p>
